The primary responsibility for insuring that a charity has sufficient money to operate falls on the board. To meet this duty, the board must create a fund development plan. Any organization, for profit or nonprofit, must know where its income is coming from to survive. A fund development plan creates a map of what the organization needs to do to ensure its financial health.

### **How to Create a Fund Development Plan | Bizfluent**

- Gather your Fund Development Team
- Supplies: o Room with large white board or chalk board o Supply of different color markers
- Procedure: o Place your organization at the center of the map o First, identify where your funding has been coming from Start with broad areas, then move out to specifics o Next, brainstorm new ideas

In some instances, community development corporations use their operating funds to help support a new initiative, in the form of either debt or equity. While government grants and subsidies could continue to decline over time, there are a number of private enterprises and individuals who are more engaged than ever in community development finance, which some refer to as “impact investing.”
