The women's liberation movement in North America was part of the feminist movement in the late 1960s and through the 1980s. Derived from the civil rights movement, student movement and anti-war movements, the Women's Liberation Movement took rhetoric from the civil rights idea of liberating victims of discrimination from oppression.

Women's liberation movement in North America - Wikipedia

The feminist movement, also know as the Women's Liberation Movement has been an on going battle for the last 100 years. The history of women has been one of submission. Marriages were once arranged and women were expected to be obedient to their husbands. Women didn't typically work outside of the home and were expected to raise children.

Women's Liberation Movement

The Women's Liberation Movement of the late 1960s and 1970s therefore emerged from women's desires to revolutionize the fundamental aspects of female life at that time: domesticity, employment, education and sexuality. In 1966, Betty Friedan and other prominent feminists formed the National Organization for Women (NOW).

The original issue was whether the fledging women's liberation movement would remain a branch of the radical left movement, or be an independent women's movement. Proponents became known as "politicos" or "feminists" respectively and traded arguments about whether "capitalism was the enemy", or the male-dominated social institutions and values.

The Women's Liberation Movement — CWLU HERSTORY

Richard Stites views the struggle for liberation of Russian women in the context of both nineteenth-century European feminism and twentieth-century communism. The central personalities, their vigorous exchange of ideas, the social and political events that marked the emerging ideal of emancipation--all come to life in this absorbing and dramatic account.
